Minnesota FAASTeam presents:

Who Doesnt Love the Smell of Jet Fuel in the Morning

We'll receive our bi-annual noise abatement briefing from Jennifer along with some new and different information on the topic from Keith. This seminar will offer one Basic Knowledge Topic 3 credit.

Directions: This seminar will be located in the Modern Avionics Hanger located behind shop. If flying in and the ramp is full, and will you need to park across the taxiway in the grass please notify Flying Cloud Ground Control of your intentions.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
