SAFETY

Attend the FAASTeam/HAI Helicopter Safety Workshop

- Share with your peers, learn, ask questions and have your voice heard
- Learn about accident trends, human factors and safety culture
- Discuss local issues affecting pilots
- Learn how the FAASTeam is working to make you safe
- Discover what HAI can do for you NOW!
- Speak one-on-one with active industry pilots on your career strategy

Lunch and breaks sponsored by HAI

The FAA Safety Team (FAASTeam) and Helicopter Association International (HAI) invite you to attend a **Helicopter Safety Workshop for all helicopter pilots.** The agenda will include sessions on safety, operations, career development, and much more.
