FSDO-13 and the FAA SafetyTeam presents:

Helicopter Maintenance Accidents Explored

This presentation will cover some recent Helicopter Maintenance Accidents with a deep dive into what may have caused them and some strategies to prevent future accidents. We will also cover some hazards encountered on the Rotorcraft Flight Line we should all be aware of that recently cost some lives. This is a closed event only for Executive Helijet Employees. For further information please contact the DOM Brandon Crisp at (843) 427-7351 or at email: brandon@ehjgroup.com

This will be conducted in the conference room.
