When you go flying, do you ever wonder... "What is the pilot doing?"

Attend the 99s'

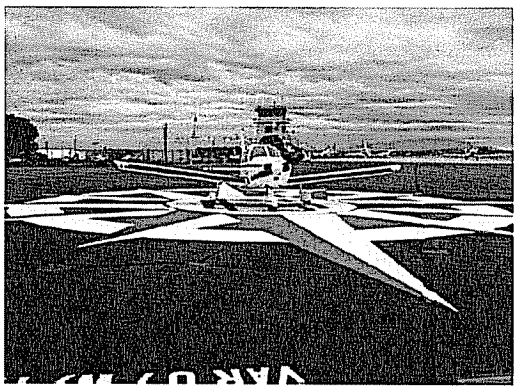
- Who is the pilot talking to on the radio? What are they talking about?
- Why can't we go straight there?
- There's plenty of room in this plane! Why can't I take everything I own?
- How do I settle those butterflies I get every time we fly?
- What should I do in an emergency?



WHO SHOULD COME?
Non-pilot spouses, significant others, family and friends!
