ISSUED: June 27, 2013 EFFECTIVE: July 11, 2013

ASPEN AIRPORT TRAFFIC CONTROL TOWER LETTER TO AIRMEN NO. 13-02

SUBJECT: ASPEN AIRPORT TRAFFIC CONTROL TOWER HOURS OF OPERATION

CANCELLATION: July 11, 2015

On July 11, 2013 the Aspen Airport Traffic Control Tower will reduce its hours of operation from 0700-2200L to 0700-2000L. Class D services will not be available when the ATCT is closed. Frequency 118.85, will be utilized as the Common Traffic Advisory Frequency (CTAF) when the tower is closed. PCL MALSF Rwy 15, PAPI Rwy 15, and REIL Rwy 33 available on 118.85. IFR clearances and cancellations may be obtained through Denver ARTCC on 125.35.

In changing conditions, NOTAM's are the most current and reliable information, so please check NOTAM's or contact FSS for the latest information.

For further details contact Aspen ATCT at 970-925-3703.
