

## 'HYPOXIA: Flying High, Do or Die!'

The FAA Safety Team is offering a free WINGS seminar at the WAAAMuseum Fly-In Event in Hood River, OR featuring a multi-media presentation about hypoxia. Learn what hypoxia is, how it can affect you, your flight, and what measures can be taken to prevent or treat its occurrence.

**Directions:** Building M3: Directions will be given at the main museum entrance and airfield museum entrance.

### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
