

## Second Example SPANS for the FPM Indoc Course

The FAA has put the final touches on the Basic-Med Regulation. The provisions to operate an aircraft under Basic Med. went into effect on May 1, 2017. Join us and see the presentation on Basic-Med to see if this is the best way for you to meet the FAA medical requirements. Bring your questions on Basic Med as well as other FAA Aero Medical issues. FAA, Aviation Medical Examiner, ( A.M.E.) and local physician, Dr. Nose Grabber, M.D. will be the featured speaker. Click the link below and register TODAY!

**Directions:** See maplink for driving directions. Auto parking is free. Aircraft parking is Navajo's ramp. The FAASTeam Seminar is held in Navajo's Pilot Lounge.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
