

## Colorado Mountain Flying Tips for flying safely in the Colorado High Country

Bill Standerfer takes us through the in's and out's of mountain flying and unique weather patterns that you will find there.

Bill is the chairman of the Colorado Pilots Association mountain flying program and have been teaching mountain flying for almost 30 years. He is currently an instructor in the aviation department of Aims Community College. He is also a member of Civil Air Patrol and have been a mountain mission pilot and check pilot. Bill is a FAASafetyTeam member and past rep of the year for Colorado/Wyoming and the Northwest Mountain Region.

**Directions:** The FAA Safety Center Forum is located next to the Air Traffic Control Tower.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
