

Round Up the Usual Suspects

Keep up to date with the latest from Susan Parson, FAA, and Paul Preidecker as the presents "Round Up the Usual Suspects".

This presentation is a "Casablanca" –themed look at mitigating loss of control, runway incursions, and other "usual suspects" in GA accidents and incidents. It will align with content in the JulAug 2018 issue of the FAA Safety Briefing magazine.

Directions: The FAA Safety Center Forum is located next to the Air Traffic Control Tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
