

## Approaches that can Kill

Approaches that can kill. A Power Point based session that covers risk management and factors that go into both VFR and IFR landing procedures. The session is intended for all skill and license levels.

**Directions:** The FAA Safety Center Forum is located next to the Air Traffic Control Tower. There is a cost to enter the Oshkosh AirVenture Air Show but all the seminars at the FAA Safety Center are free.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
