

National FAASTeam presents:

The Best of the Future of Flight Service

Ever wonder who and/or what is Flight Service and what they can do for you? Joe Daniele is a Senior Systems Engineer for Leidos (formerly Lockheed Martin) and has all the answer for you. Come and see what Flight Service can do for you.

1800WXBRIEF The Best of the Future of Flight Service” - Pilots need easy to understand weather and flight information specific to their needs with greater use of graphics and filtering. Learn how Leidos Flight Service is delivering exactly that through our Pilot Web (www.1800wxbrief.com), popular flight planning apps and an expanding set of satellite position monitoring and communications devices.

Directions: The FAA Safety Center Forum is located next to the Air Traffic Control Tower.
