

FAASTeam presents:

Straight Talk with David Wayne Hooks Airport ATC

Join us in our efforts to improve communication between ATC and the flying community by attending one or all of our monthly Pilot-Controller forums at KDWH. The meetings will be held on the last Thursday of every month. Meet the people you talk to on the radio, learn about new developments at KDWH, and talk to them about the issues or concerns you may have. The goal is to have an informative yet lively discussion so be prepared to discuss any safety issues you may have at KDWH.

Pre registration for the meeting is not required but is encouraged.

Directions: From FM2920 go to Stuebner Airline Road and turn southeast toward the David Wayne Hooks Airport. Turn right into the airport entrance. The meeting will be in the Aviator's Grill. Parking maybe limited at the restaurant. There is a grass parking area nearby.

A message from the National FAASafety Team Manager
