

National FAA Safety Team presents:

SUN n FUN 2023 Forum - Threat and Error Management

This interactive program will address various considerations that must be made with every flight and landing, including Aeronautical Decision Making (ADM), risk management, pilot limitations, personality types, equipment and environmental limitations / considerations, human factors, runway markings, and CRM. We will also examine some of the hidden traps that can hinder your choices and influence your decisions. The program is appropriate for all levels of pilot skill and experience from Students to ATP's and would also be fun for those right seat non-pilots as well.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

Directions: The FAA's "Orlando Field Office" (aka FAA Safety Center) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. We are the large building with the rooftop deck. Forums entrance is on the west side of the building.

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.
