

National FAA Safety Team presents:

AirVenture 2023 Forum - Experimental Aircraft MX for the A and P

Opportunities for the A&P mechanic in the experimental and light-sport segments. Joseph Norris will cover some of the more common maintenance issues and maybe some not so common maintenance issue related to Light Sport aircraft.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

Directions: The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.

A message from the National FAASafety Team Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info.
