

## AirVenture 2024 Forum - FAA Accident Investigation Updates

AVP-100 staff enter preliminary accident data in the Preliminary Accident/Incident Database, which is shared with the Aviation Safety Information Analysis and Sharing (ASIAS) program.

This briefing will show the process of how accidents are tracked and followed on a world-wide basis and we use case studies to review the latest trends and lessons learned

**WINGS/AMT credit available!**

**To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.**

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

**Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.**
