

## AirVenture 2024 Forum - Engine Failure and Return to the Airport

The impossible made possible through education and training, the Impossible turn or engine failure after take-off can be successful if the pilot is trained and has the right tools. Guessing is not an option but it is path to failure. Let's discuss the possibilities before this event challenges your abilities near the airport environment.

**WINGS/AMT credit available!**

**To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.**

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

**Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.**

A message from the National FAASTeam Manager
