

## AirVenture 2024 Forum - How to Obtain a Compliant Weather Briefing

FAA Policy acknowledges that government sponsored sources are not the only compliant means for obtaining weather and encourages pilots to use self-briefing services. With almost limitless amounts of information, how do we "comply" with our obligation to "...become familiar with all available information..." which includes "...weather reports and forecasts,..." and teach learners adequate self briefing procedures?

**WINGS/AMT credit available!**

**To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.**

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

**Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.**

### Event Details

**Tue, Jul 23, 2024 at 08:30 CDT**

**FAA Safety Center/EAA  
AirVenture**

3110 Knapp Street

Oshkosh, WI
