

AirVenture 2024 Forum - GPS Resiliency

We will discuss the airspace with regards to GPS and VOR navigation. How the limited shutdown and reorganization of the VOR system of navigation and GPS outages can affect your planning and how you can better plan for navigation changes.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.
