

AirVenture 2024 Forum - How to Avoid a Fighter Intercept

In this action packed seminar, you'll receive a kneeboard sized checklist and learn the "Keys to success" to avoid being intercepted by NORAD's fighter aircraft. These practical steps will assist pilots in flight planning and flying to avoid or navigate TFRs. Do you remember the procedures if you are intercepted?

From the cockpit of a Cessna, you will see what it looks like to be intercepted by a NORAD fighter and understand the procedures. Join NORAD fighter pilots in an informative and lively session that will keep you out of trouble, and in the skies!

WINGS/AMT credit available!
