

AirVenture 2024 Forum - Letters from FAA Legal - What to Expect

Chances are that if you receive a letter from an attorney in the Aviation Litigation Division, it will be to take action against your airman or airman medical certificate. There is also the possibility of receiving a letter proposing a civil penalty. This presentation will cover the most common scenarios associated with correspondence an airman would receive from an attorney in the Aviation Litigation Division.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.
