

AirVenture 2024 Forum - Aeromedical Updates - Mental Health

Dr Susan Northrup joined the FAA in April 2007 as the Southern Regional Flight Surgeon. In January of 2021, she was selected as the Federal Air Surgeon. She is responsible for all aerospace medicine efforts within the FAA including airman medical certification, air traffic control health program, AME designee management, internal and external substance abuse testing, and aeromedical research.

This discussion will be based on her position within the FAA and the Aeromedical team.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.
