

## AirVenture 2024 Forum - Perfect Landings

It's probably a fair bet that everyone who has flown an airplane has made a bad landing from time to time. Murphy's Law suggests that when we do, people will be watching. So, let's look at some causes -- and some remedies -- to lessen that possibility. Bring your "war stories" and we'll all have a laugh at our occasional, but very human, lapses. Then, let's learn some simple, but reliable techniques for making a more "perfect" landing every time...

**WINGS/AMT credit available!**

**To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.**

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

### Event Details

**Fri, Jul 26, 2024 at 14:00 CDT**

**FAA Safety Center/EAA  
AirVenture**

3110 Knapp Street

Oshkosh, WI
