

AirVenture 2024 Forum - Homebuilt Aircraft Maintenance - Who Can Do It

There continues to be confusion and misunderstanding of just who can (and cannot) perform maintenance and inspection of Experimental Amateur-Built aircraft. This presentation takes a detailed look at the applicable regulations.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us
