

Lakeland Aviation Expo 2025 Forum - Straight Talk About Aviation Safety

Pilots throughout the world know John and Martha King from their fun video presentations in their courses and regard them as their personal aviation mentors. The Kings' use of technology and clear, simple, and fun teaching have made aviation knowledge more accessible to hundreds of thousands of pilots and maintenance technicians.

The Kings' ongoing love of flying and learning has resulted in their being the first couple to both hold every category and class of FAA rating on their pilot and instructor certificates. Martha is the first and only woman to achieve this complete ratings sweep.
