

# AirVenture 2025 Forum - When Things Go Right! Resilience in Unexpected Weather

## Event Details

In aviation, safety has typically been defined in terms of things that went wrong i.e., accidents, incidents, or recognized risks. But what about when things go right? When pilots are faced with unexpected weather conditions, they are expected to evaluate the situation, using all available information, and identify a positive course of action,

### **WINGS credit available!**

### **To receive WINGS credit fill out attendance sheet available at the Forum entrance.**

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.

**Mon, Jul 21, 2025 at 08:30 CDT**
