

SUN n FUN 2026 Forum - Aircraft Battery Airworthiness

The battery is the heart of your aircraft. Concorde Battery Corporation presents the recommended methodologies for proper servicing, capacity testing, and charging your aircraft battery. The goal is to safely maximize the life of your battery by using established and proper maintenance practices. Additional topics include; lead acid aircraft battery ratings, commissioning of lead acid aircraft batteries, cleaning & storage, installation eligibility and an overview of battery technologies in the marketplace.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center (aka "Orlando Field Office") is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. We are the large tan building with the rooftop deck. Forums entrance is on the west side of the building.
