

## Lessons From the Past

Ken Thomas from the Alaskan Region FAA Safety Team will present information on the factors affecting loss of control in accidents occurring in Alaska during 2016 and review safe operating best practices.

Dianne Barnes and Yvonne Leutwyler, Specialists from the Alaska FAA Flight Service Station will present information on the services they provide including Special VFR in and out of Homer.

**Directions:** The Bald Mountain Air Service Facility is on FAA Rd. just past the Ravn Terminal. Meeting time is from 17:30 to 19:30.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
