

## Information Meeting for Pilots

Informal information meeting between area pilots and speakers for the IA seminar on Friday. Dr. Dave Swartz, Aerospace Engineer, will talk on loss of control and stall spin accident avoidance.

Other topics covered will include information on propeller issues, aircraft engine care and maintenance, and airbags and shoulder harnesses.

**Directions:** UAF Aviation Hangar at FAI Airport

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
