

Do you know that Fairbanks International Airport is a
Cold Temperature Restricted Airport?

What does that mean to you?
Get all of your questions answered

Wednesday, January 20, 2016
7:00pm

Fairbanks International Airport Operations Center
5195 Brumbaugh Blvd. (off Airport Industrial Road)
First left after Mail Trail Road

Speakers from **FAA Headquarters** and **Fairbanks Air Traffic Control Tower** will present safety information and answer questions on Cold Temperature Restricted Airports.

Seating is limited so register early at faasafety.gov

Sponsored by Fairbanks FAA Safety Team ~ (907) 457-9241 and in cooperation with Interior Alaska Flight Instructors
