

Runway Safety Best Practices and the FAA's new Compliance Philosophy

Lasting 120 minutes, the two presentations will acquaint the audience with factors on how to avoid runway incursions, and what potential options can be taken by the airman to avoid enforcement action in the event a violation occurs.

Directions: The Fairbanks Airport Operations Center is located on the west side of the airport, south of the main terminal building. The event will be held in the Airport Operations Center training room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
