

FAASTeam presents:

Pilot Safety Seminar and NexGen

In this two and half hour multiple topic seminar (NexGen, Red Flag Operations, FAI Air Traffic, and Near Mid-Air Collision Avoidance) we will have the following guest speakers: Mr. Jim Wright a senior systems engineer with the Lockheed Martin Corporation to discuss NexGen and the upcoming rules for ADS-B. Mr. Peter Busa retired Lt Col. and the current assistant Director of Operations at Eielson AFB, to discuss Red Flag Operations, V-routes, and the proposed new implementation of additional restricted airspace. Travis Williams a current Fairbanks Air Traffic Control employee to discuss Pilot/Controller issues. Lisa Asplin a current Fairbanks FSDO FAASTeam member to discuss near Mid-Air Collision Avoidance reporting procedures.

Directions: The meeting will be held in the Newly renovated Fairbanks Airport Operations Center located on the SW corner of the airport off of Airport Industrial Road. The meeting will be held in the main conference room of the FAI Airport Operations Center.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
