

FAASTeam presents:

FAA Regional Flight Surgeon Marcel Dionne open forum and discussion

Dr. Dionne has served as Alaska's FAA Regional Flight Surgeon since January 2015. He is certified by the American Board of Preventive Medicine in aerospace medicine and occupational medicine, and brings to the Office of Aerospace Medicine over 20 years of flight medicine experience. Prior to joining the FAA, Dr. Dionne was the Director of Medical Services at Fairweather, LLC in Anchorage, and an occupational medicine consultant for companies operating in the natural resources industry of Alaska

The following topics will be covered and discussed:

- 1) Medications and Flying
- 2) Fatigue and Complacency
- 3) Human Factors
- 4) Spatial Disorientation and Physiology

Directions: The meeting will be held in the Newly renovated Fairbanks Airport Emergency Operations Center located on the SW corner of the airport off of Airport Industrial Road. The meeting will be held in the main conference room of the FAI Airport Operations Center.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
