

## Survival Awareness and Training - Be Prepared

This Safety Seminar will discuss the importance of planning and being prepared just in case you find yourself in an unexpected off field situation attempting to Survive!!! The topics of discussion for the evening will be: Prepare your aircraft and yourself. Managing Injuries. Survival Equipment and gear (Survival Vests, GPS Tracking Devices, 406 ELT, AOA Indicator, Shoulder Harness, Airbag Seatbelts and Helmets). Getting Rescued.

**Directions:** The meeting will be held in the Newly renovated Fairbanks Airport Emergency Response Center located on the SW corner of the airport off of Airport Industrial Road. The meeting will be held in the main conference room of the FAI Airport Operations Center.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
