

CFI Open Forum - Preventing Accidents

The CFI open forum will be a review and discussion of aircraft accidents which have occurred within the Alaska Region over the last 12 months, current trends and how the CFI's can help lower the accident rate.

Directions: The meeting will be held in the main conference room at the Fairbanks Federal Aviation Administration Flight Standards District Office (FSDO) across from Pikes Landing.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
