

FAASTeam presents:

Fairbanks Runway Safety Action Team (RSAT) meeting

The Runway Safety Action Team (RSAT) meeting is held annually to discuss runway incursions and other surface events. The purpose is to improve surface safety at Fairbanks International Airport. Participation and input from all users including tenants, maintenance personnel, pilots, and airport operations is welcomed.

If you are not able to attend this meeting in person, it may also be available virtual or via teleconference. If so, that information will be available about a week prior to the meeting. Please contact Tracey Finney at tracey.l.finney@faa.gov or (907) 474-0050 for access or with any questions. See attachment for more information.

Directions: After you are inside the terminal, proceed upstairs to the conference room. Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.
