

Pratt and Whitney Alaska Connect Event

Join us for an afternoon filled with hands-on demonstrations, best practice information, key networking opportunities, great food, prizes and so much more!

Hands on demonstrations and best practice guidance will be from factory representatives and will consist of the following specific to the PT-6 engine and it's interface with Textron Aviation Airframes:

- PT6A Reliability and Technical Update
- PT6A Live Borescope
- PT6A Hot Section Module
- Digital Engine Health Monitoring (DPHM)
- Textron -Overview & update
- PT6A Rigging
- P&WC Services and Support

Be advised you must preregister with Pratt & Whitney.
