"FAA Industry Training Standards (FITS) Tools for Instructors" - Learn about scenario-based training techniques for Capstone equipped aircraft in Alaska.

"Teaching GPS, TAA and Other Abbreviations in Alaska (TGTOAA)" - Are you sure you understand what we need to be teaching our students about GPS and TAA? If not, this presentation is for you.

*Directions:* From the Parks Highway take Trunk Road North. Turn right on College Road and right again on Musgrove Drive. Go past the warehouse on your left and drive straight to the back of JKB Building. Room 122 is the first classroom on the right though the double doors.

*Message from the National FAASTeam Manager:*
