

CFI and Pilot Open Fourm

The Task of ensuring safe commercial and private aircraft operations is the responsibility of Air Traffic Controllers. Controllers at Anchorage Center will take you on a real time tour of the facility and show you how they move traffic within Alaska and around the globe daily. Tour will last appx 20 minutes and limited to groups of four so as to not cause distractions to controllers as they do their daily work. Controllers from ANC, MRI and LHD will be on hand to answer the airspace questions you may have had on your mind.

Directions: Proceed North on Boniface. Anchorage Center located on the left, prior to the JBER Gate
