

FAASTeam presents:

31st Annual Alaska Aviation Safety Foundation Seaplane Seminar

The 31st Annual Spring Seaplane Safety Seminar will be a jointly presented seminar with locations in Anchorage and Fairbanks participating. Guest speakers will be in both locations and will feature a seaplane maintenance panel, and a flight simulation scenario featuring a flightseeing tour in Southeast Alaska for attendees to test their decision-making abilities. Updates on invasive elodea, troubleshooting engine problems and current statewide aviation activities will be provided. Lunch will be available at both sites and door prizes will also be available. As always, parking and attendance are free!

Directions: University of Alaska Anchorage Aviation Technology Complex at 2811 Merrill Field Drive, Anchorage 99501 in the Auditorium
University of Alaska Fairbanks CTC Aviation Center at 3504 University Ave South East Ramp, Fairbanks International Airport, Fairbanks 99709 in Room 121

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
