

Birchwood Airport Helicopter Operations and Non-Towered Pattern Operations

Event Details

We'll be discussing helicopter specific flight patterns, landing maneuvers, and wake turbulence/down wash hazard avoidance techniques. We'll also cover the Advisory Circular 90-66C to highlight safe/standard non-towered flight operations.

The event will be held in the Civil Air Patrol Hangar, located at 19814 Birchwood Spur Rd, which is adjacent to the Birchwood Airport Association pilot briefing building. The hangar is located on the west side of the BCV runway, slightly past the shooting range, on the left. Please see attached .pdf file with overview pictures.
