

Merrill Field (PAMR/MRI) Runway 7/25 Construction Public Briefing - Hybrid Event

Event Details

This briefing will be presented by the Merrill Field Air Traffic controllers, detailing how aircraft ground/flight operations will be affected by the Runway 7/25 construction. They'll discuss runway incursion/excursion avoidance, traffic volume constraints, adjusted flight patterns, as well as other safety considerations during the construction process. Construction is planned to start in June 2025, and last approximately 2 months.

2811 Merrill Field Dr. Anchorage, AK 99501. UAA Aviation Technology Center. Enter through the glass entry doors and turn slightly right to find the main auditorium on the ground floor.
