

Alaskan Aviation Safety Foundation 2025 Fall Safety Seminar

Presentations will include a panel discussion of NTSB accident reports, pilot judgment, and the lessons learned/best practices to avoid those accidents. Adam White will discuss some Alaska Airmen's Association topics of interest, including proposed changes to the Anchorage area airspace.

Doors open at 0800, first briefing starts at 0830, presentations end at approximately 1315.

2811 Merrill Field Dr, Anchorage AK 99501. University of Alaska Anchorage Aviation Technology Building. Free parking available near the building. Enter the glass doors on the ground floor and turn slightly right to find the auditorium.

The total amount of safety presentations is approximately 3 hours.

If attendees choose to fly in to Merrill Field, please contact Mary O'Connor at 907-229-6885 for transportation from their plane to the seminar location.
