

# Alaskan Aviation Safety Foundation Annual Seaplane Safety Seminar - Hybrid Event

## Event Details

Presentations will include: float corrosion detection and prevention, pilot fitness, aviation law, Sport Pilot operations, seaplane yaw stability, and National Weather Service products. See attached agenda for all details. For those wishing to virtually attend, see log on instructions below.

2811 Merrill Field Dr, Anchorage AK 99501 University of Alaska Anchorage Aviation Technology Center. Free parking available near the building. Enter the glass doors near the flag poles on the ground floor and turn slightly right to find the auditorium.

The total amount of safety presentations for WINGS/AMT credit is 4 hours.

If attendees choose to fly in to Merrill Field, please contact Mary O'Connor at 907-229-6885 for transportation from their plane to the seminar location.

For those **wanting to virtually attend**, here are the LOG ON INSTRUCTIONS:

1. Type **aasf.av8r.sbs** in your web browser and hit enter. You DO NOT have to enter www or http
2. Enter your email or name and click "LETS GO"

**Sat, Apr 25, 2026 at 08:00 AKDT**  
**University of Alaska Anchorage**  
**Aviation Technology Center**  
2811 Merrill Field Dr  
Anchorage, AK

**Contact: Thomas Palmer**  
**(907) 545-3324**

**thomas.s.palmer@faa.gov**

**Select #: AL03143046**

**FPM Thomas Palmer n/a**

3. Pick an Avatar. You can load a small picture or feel free to use one of the Avatar choices the software offers you. THAT'S IT, YOU'RE IN!

Since the seminar won't be interactive for our remote viewers, there is no need to allow the software access to your computer camera or microphone
