

Merrill Field Pilot Forum - Midair Collision Avoidance and Flying When the Tower is Closed

Event Details

We'll be discussing tips and techniques to safely conduct flight operations at Merrill Field when the ATC tower is closed. We'll also discuss midair collision avoidance techniques to utilize when flying in the busy Anchorage area and other airspace.

2811 Merrill Field Dr, Anchorage, AK 99501. UAA Aviation Technology Center. Enter through the glass doors (near the flag poles) and turn slightly right to find the main auditorium on the ground floor.
