FAASTeam CFI/DPE Workshops provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASTeam) to meet and collaborate for safety. The result is the ability to enhance communication and standardization of the pilot training and evaluation processes. This is the first meeting in the series that can afford you the opportunity to renew your CFI certificate.

Directions: College of Business and Technology West Center, Room 221E, 1917 West 24th Street, Kearney, NE.
