

FAASteam CFI Workshop #4

Participants will learn about the TSA role in flight training, Citizenship documentation, and Flight school security awareness training. Also included will be a session on significant airspace changes since 9/11, Floating TFR's, Intercept procedures, and New regulations. There will be a discussion of other areas of interest to local pilots and flight instructors.

Directions: Martin Airfield is on the west edge of South Sioux City on Highway 20. The FBO office is located directly behind the A-7 aircraft on static display.
