

EAA Chapter 999 Safety Seminar: Autopilot, avionics and Glass Panel Safety and panel failures.

EAA Chapter 999 presents Quint DeGroot of Spencer Avionics. Quint will address safety areas involved with avionics, autopilots and other panel failures, how to recognize the failure and how to cope with it. Other covered topics will be FAASafety.gov and the Wings program. You can pre-register for this event and create your WINGS account today on-line by visiting FAASafety.gov and entering your pilot profile!

Directions: The meeting will be held in the Leading Edge Maintenance Hangar at the Spencer Municipal Airport (KSPW).

A message from the National FAASTeam Manager

The new WINGS–Pilot Proficiency Program is great! Check it out now!

Sign up for the FAA's safety services at www.FAASafety.gov!
