

# Meet your Local Air Traffic Controllers from the Eastern Iowa Airport.

NEW LOCATION-Communication is a vital link in the general aviation safety chain. Meet local ATC from the Eastern Iowa Airport and find out who the voice is behind the radio. Discuss local air traffic issues and contribute to the positive safety culture in Cedar Rapids. Current and past airport issues will be discussed along with future events.

**Directions:** The Administrative Office is at the Eastern Iowa Airport just west of the main terminal building. Turn west prior to the terminal. Use the CELL PHONE waiting lot. Building is next to that.
