Laugh & Learn with

ROD MACHADO!

presenting at 6 p.m.

PREMIER FREE EVENT FOR IOWA PILOTS

By pilots, for pilots, providing networking, educational forums, aviation safety, and fun while promoting pilot activity, interest in aviation, and pilot start ups

WANT TO SPEND THE NIGHT?

Join other pilots for an evening of under-wing camping!

WHAT SHOULD I BRING:

Lawn chairs (some seating will be provided), tie-downs if windy, a cooler with drinks

IS THIS A FLY-IN?

No, it's an event for pilots, their families and friends, and anyone interested in becoming a pilot or exploring aircraft ownership. View other planes, explore static displays, meet new pilots, listen to music, and relax in your lawn chair while enjoying educational forums in an open tent setting right on the airport.

We look forward to seeing you there! No rain date.
