

## Safe Glider Club Operations

The Silent Knights Glider Club conducts a safety and business meeting on the fourth Wednesday of each month. We review the club operations procedures and discuss any new issues that have arisen. We may also cover topics such as glider assembly, aircraft maintenance, tow operations, surface operations, runway incursions, soaring flight, health and medical factors, approaches and landings, see and avoid concepts, and the like.

**Directions:** Pilot Lounge at Hap's FBO 1800-1900.

### A message from the National FAASTeam Manager
